

Prayer for Our Country

Heavenly Father, I come to you in the Name of Jesus and by the power of His most Precious Blood, to ask blessings and mercy on my country and its leaders.

Please guide our President and his legislators, our courts, and leaders throughout our land in every decision they make. Show them the way of truth and righteousness.

In times of stress, Lord make them steady; in times of hardship, make them strong; in times of success, make them humble. Turn their hearts to You that they will receive the gift of wisdom, and be obedient to Your instructions. Let them recognize evil and turn away from it, and let them know good, and grasp hold of it.

Make them honest, effective, and innovative as they run our country, but most of all, cause them to be men and women of high integrity in Your eyes, that under their Leadership, this nation and its people may prosper.

For Your many Blessings, I praise and thank You, and ask You to grant me the grace to truly trust in God all the days of my life.

A Prayer For Our Troops

God, hold our troops in your loving hands. Protect them as they protect us. Bless them and their families for the selfless acts they perform for us in our time of need. Amen

Prayer to End Abortion-Respect Life

Creator Father, Author of all life, by Your hand were all things created, and by Your will is all life sustained from moment to moment. May we always understand that we are merely instruments of Your creative power, and that all life is sacred from the moment of conception until natural death. We ask that Your Spirit fill the hearts of those who would extinguish life, that they may realize the horrible truth about abortion and euthanasia and renounce their practices. We also pray for the courage to bear witness to this truth in our community, and for the generosity to reach out to those in dire straits. We look forward with hopeful expectation to a world in which there is only peaceful respect and gratitude for all human life. Grant us these gifts through Christ our Lord. Amen

Prayer for a Joyful Home

In remembrance of Your loving kindness, O God, may we who dwell in this home be bearers of joy, and may we spread that joy to all who enter it. Almighty Father, You have blessed us in so many ways. Let us be always mindful of Your gifts so that we may share their joyous light with others. Until we share fully in the joy of heaven, we ask this through Christ Our Lord. Amen

For My Family

O heavenly Father, I humbly beseech
Your blessing for my family. Keep my
loved ones in Your tender care and
protect them from every evil.

Grant that no matter how separated we
may be by distance, we shall always be
close to one another, and to You, in the
Sacred Heart of Your Son, Jesus. May
we continue to grow in love and peace,
ever seeking Your blessings until we are
united with You forever in heaven.
Amen

Novena Prayer

We praise you, Most Holy Trinity, for
having sent us Saint Michael of the
Saints, to be our friend and intercessor in
the fight against cancer.

Grant us, we pray, a humble faith that
we may follow in his holy footsteps and
believe without doubt in your generous
gift of healing.

With humble and childlike trust, we ask
you Divine help through Saint Michael
of the Saints in this urgent necessity.

May this gift of bodily health bring us
peace and joy, which are but a foretaste
of heaven, and may we be counted one
day among your saints in glory.

Father, your world is ill with cancer and
frightened. We pray you ease the
suffering of those afflicted, give living
hand to those who care for them, and
light the way for those who seek its cure.

Merciful Father, extend your healing
hand so that we may cry out, *A cure at
last!*

In Jesus' name we pray. Amen

Hello God,
I called tonight
To talk a little while
I need a friend who'll listen
To my anxiety and trial.
You see, I can't quite make it
Through a day just on my own...
I need your love to guide me,
So I'll never feel alone.
I want to ask you please to keep
My family safe and sound.
Come and fill their lives with confidence
For whatever fate they're bound.
Give me faith, dear God, to face
Each hour throughout the day,
And not to worry over things
I can't change in any way.
I thank you God for being home
And listening to my call,
For giving me such good advice
When I stumble and fall.
Your number, God, is the only one
That answers every time,
I never get a busy signal,
Never had to pay a dime.
So thank you, God for listening
To my troubles and my sorrow.
Good night, God, I love You too,
And I'll call again tomorrow!
