

## **GLOBAL OUTREACH CATHOLIC EXCHANGE PROGRAM HOST A STUDENT**

Have you ever wanted to make a difference in the life of another person, to do something really great for someone whose life will never be the same because of you? Here is your chance.

An exciting opportunity is being offered at Notre Dame Academy for the 2017-2018 school year. Notre Dame will welcome two Global Outreach students as part of the student body, if we can find host families for them.

Global Outreach is a Catholic student exchange program which offers high school juniors from five former communist countries the chance to attend a Catholic high school for one year. The countries include the Czech Republic, Hungary, Lithuania, Poland and Slovakia. The mission of the program is to form young, dynamic Catholic servant leaders for the 21<sup>st</sup> century who will return to their homelands and make a difference in the Church and in the society of their own countries. Through this mission, we hope to do our part to build the civilization of love.

The program needs one generous practicing Catholic family to say yes to this wonderful opportunity. Arrival of the student is August 5, 2017 and return date is about June 15, 2018. Commitment of the host family includes providing room, board and transportation for the school year. Airfare to and from the United States and health insurance is taken care of by the student's natural family in Europe.

By hosting a Global Outreach student, you will be offering a young person the chance of a lifetime. Your own family will also be greatly enriched as you open yourself to one of our students. Families who host students have many backgrounds: families with students in the Catholic high school, families with students in public school, couples whose own children are on their own, single parent families, widows and widowers. Each and every one has something special to give.

Could that be you? To volunteer to host a student, please contact Fr.
